

The monthly bulletin of the
Bar Hill Residents Association,
distributed to all residents

Thanks

To the Editor:

31 Oatlands Avenue

Dear Sir,

Through the newsletter I would like to acknowledge in some way the great kindness I have received from the inhabitants of Bar Hill over the last month.

I feel it is perhaps wrong to say thankyou because in sharing my sorrow they have also paid their respects to Philip as they have wished.

With the friendship and care I have been shown I have been carried along and I feel able to face the immediate future because of them.

To have lived in a place for only 10 months and yet have so many to turn to must be an almost unparalleled experience.

Yours sincerely,

Dilly Webster

We shall meet at the entrance in Bateman St. (at the Trumpington Street end) at 7.30 p.m. A charge of 10p per person will be made in order to cover the costs of our guide, Mr. Ossitt.

Bressingham. The outing to Bressingham will be on Sunday, 4th July. The coach will leave the shopping centre at 11.30 a.m. and return for about 6.0 p.m. The fare will be 60p for adults, whilst the entrance fee is 10p. Children aged between 4 and 13 will be charged half these amounts.

During the next few days we shall be around collecting from those who have signed for these outings.

Gardening Notes for June.

Continue cutting lawns regularly, but during dry spells raise the height of the mower blades. If an established lawn requires it, treat with fungicides or weed-killer. Aeration of lawns will assist drainage. Stop chrysanthemums, water regularly, dress with ammonium sulphate or nitro chalk, spray regularly to control leaf miner and aphids. Spray sweet peas with systemic insecticides and pinch out side shoots and tendrils to encourage flowering. Control aphids - this year is going to be a bad one for aphids - on house plants with derris or malathion. Disbud roses to ensure the production of large blooms. It is possible to propagate carnations and to plant de Caen anemones for autumn or winter flowering. Tidy up early flowering annuals by cutting them off at soil level, and lift spring bulbs when their leaves start to yellow.

Parish Council Meeting, 26th May

Following the Parish Elections the Parish Council is as follows:

<u>Chairman</u>	Mr. C. Lakin, 22 Almond Grove	(Crafts Hill 222)	
<u>Councillors</u>	Mrs. M. Purvey, 38 Otter Close	" "	327
	Mrs. S. Fromant, 15 Almond Grove		
	Mr. R. Dale, 16 Almond Grove	" "	542
	Mr. E. Taylor, 28 Otter Gardens	" "	284.

Should the need arise, do not hesitate to contact one of them.

The help of residents over the matter of street lights that have failed, would be appreciated by the Parish Council. Should a light fail, would you please contact a Councillor, who will report its failure to the Electricity Board.

A meeting between the Developers, County Planners, Chesterton R.D.C. and Parish Council, to discuss the Village Green and Provision of Allotments, will take place on 4th June.

Mr. Dale was appointed as the Bar Hill representative on the Board of Governors of Swavesey Village College.

A query raised at the Annual Parish Meeting regarding Water Company activities at the rear of Gladeside has produced this reply from the Cambridge Water Company: "One make of pipe laid at Bar Hill has given us a certain amount of trouble, and the work we were doing at the rear of 20 - 30 Gladeside was to repair a leak on one of these. Only some of the pipes have this fault and therefore we are carrying out repairs as soon as there are signs of a leak. We sincerely hope that there will not be many more, if any, faults develop and while regretting the inconvenience we are causing to the residents we hope they will bear with us."

Once again, a plea to dog owners, "Please try to prevent your dogs fouling the streets and play areas."

The department of the Environment have assured the Parish Council that it is still their aim to build the Bar Hill Fly-over as soon as possible, once the Order 197 raising the A 604 to the status of a Trunk Road is confirmed.

Future meetings of the Parish Council will be held on the third Tuesday in the month. Members of the Public can attend these meetings and ask questions of the Council at the end of the meeting.
